Purchaser's obligation to close shall not be contingent upon Purchaser's ability to obtain financing. All closing costs not required by law to be paid by the Seller will be the responsibility of the Purchaser.

Purchaser has paid to Auctioneer the sum of \$50,000 as down payment, which down payment is to be promptly deposited into Auctioneer's escrow account when Agreement has been accepted by all parties hereto and is to be applied as part payment of the purchase price at time of closing. Seller and Purchaser hereto agree that Auctioneer may deposit the down payment in an interest bearing escrow account in the name of Auctioneer or other escrow agent as designated by Auctioneer. The interest earned thereon shall be payable to the Auctioneer as compensation for monitoring said deposit and to defray costs incidental thereto. Said down payment shall be applied as part payment of purchase price of said Property at the time the sale is consummated. The parties hereto understand and acknowledge that disbursement of moneys held by Auctioneer can occur only as follows: (a) at closing; (b) upon written agreement signed by all parties having an interest in said funds; (c) upon court order; or (d) upon failure of any contingency or failure of either party to fulfill the obligations thereof contained in this Agreement. If any dispute arises between Purchaser and Seller as to the final disposition of all or part of the moneys, Auctioneer may, at his option, notify Purchaser and Seller in writing that Auctioneer is unable to resolve such dispute and may interplead all or any disputed part of the moneys into court, whereupon Auctioneer shall be entitled to be compensated by the party who does not prevail in the interpleader action for the costs and expenses, including Auctioneer's commission and reasonable attorney's fees incurred in filing said interpleader; or upon fifteen (15) days written notice to the parties, Auctioneer may make a disbursement of the moneys upon a reasonable interpretation of this Agreement. In either event, the parties hereto shall thereafter make no claim against Auctioneer for said disputed moneys and shall not seek damages from Auctioneer by reason thereof or by reason of any other matter arising out of this Agreement or the transaction contemplated hereunder.

Seller warrants that he presently has title to said Property and at the time the sale is consummated agrees to convey good and marketable title to said Property to Purchaser by Limited warranty deed, subject only to (1) zoning ordinances affecting said Property, (2) easements of record, (3) restrictions of record, (4) leases, (5) other easements, other restrictions and encumbrances specified in this Agreement. In the event leases are specified in the Agreement, Purchaser agrees to assume Seller's responsibility thereunder to the tenant(s) and broker(s) who negotiated such leases.

Purchaser shall have twenty-one (21) calendar days from the final acceptance date of this Agreement in which to examine title to the Property and deliver to Seller a written statement of objections affecting the insurability of said title. Seller shall have reasonable time after receipt of such objections to satisfy all valid objections and, if Seller fails to satisfy such valid objections within a reasonable time, then at the option of the Purchaser, evidenced by written notice to the Seller, this Agreement shall be null and void, and Purchaser's moneys shall be returned, in full without interest.

Seller and Purchaser agree that such documents as may be legally necessary to carry out the terms of this Agreement shall be executed and delivered by such parties at the time the sale is consummated.

Seller warrants that when the sale is consummated the improvements on the Property will be in the same condition as on the date hereof, normal wear and tear excepted. However, should the premises be destroyed or substantially damaged before the Agreement is consummated, then at the election of Purchaser, (a) the Agreement may be canceled, or (b) Purchaser may consummate the Agreement and receive such insurance proceeds as may be paid on the claim of loss. The election is to be exercised within ten (10) days after the amount of Seller's damage is determined.

Commission is to be paid to Auctioneer pursuant to and in accordance with that certain Agreement between Auctioneer and Seller regarding authorization and compensation, which documents are incorporated herein by reference. Seller agrees to pay Auctioneer the full commission when the sale is consummated and in the event the sale is not consummated because of Seller's refusal to perform any of the Seller's covenants herein, the Seller shall pay the full commission to Auctioneer and Auctioneer shall return the down payment to Purchaser.

Purchaser agrees that if Purchaser fails or refuses to perform any of Purchaser's covenants herein, Purchaser shall forthwith pay Auctioneer the full commission; provided that Auctioneer may first apply one-half of the moneys toward payment of, but not to exceed the full commission, with the balance thereof to be retained by Seller as liquidated damages of Seller, if Seller claims balance as Seller's liquidated damages in full settlement of any claim for damages, whereupon Auctioneer shall be released from any and all liability for return of down payment to Purchaser.

Real estate taxes shall be prorated as of the date of closing.

Possession of the premises shall be granted by Seller to Purchaser at closing.

Purchaser shall pay State of Georgia real estate transfer tax.

Time is of the essence of this Agreement.

Sale shall be closed on or before 30 days from acceptance of contract by Seller.
